The Novgorod State University has the name of Prince Yaroslav-the-Wise – the Novgorodian Prince who launched mass (universal) literacy and education in Russia.

He is rightfully considered a distinguished educator of Russia. It was he who founded the first public school in ancient Novgorod and the famous prince's library

Yaroslav-the-Wise Novgorod State University

Nowadays the ancient educational traditions are continued by the Novgorod State University established in 1993 by merging of three Higher Educational Institutions existing at that moment in Novgorod
